

"The Alice in Wonderland tea party was amazing, we were blown away. It was completely magical and one of my favourite memories was Rosie painting the roses red. She loved it."

Mother of Rosie.

ABOUT US

We are a Sussex based party company. Our aim is to absorb our party goers in the joys of nature. We believe that these experiences will lead to healthy growth & happy memories.

The company is staffed by two people, with support from local community & commerce. Carla is the head coordinator and has extensive events planning experience in a wide range of settings, including various locations across Europe.

The outdoor aspects are looked after by our 'in-house' organic farmer horticulture man Charlie.

With a background in theatre and performance, Charlie brings the energy that is key to hosting an enticing day.

We look forward to meeting you.

LOCATION

We will guide your party on the gentle 30-minute amble along the Cuckoo Trail. This works well as your children can blow off some pre-party steam which will allow them to fully absorb their wonderful woodland experience.

For those needing vehicle access, we can make special arrangements.

Otherwise, we will meet you at the location below at an agreed time.

Hillside Drive (Cuckoo Trail) Car Park is located at:
Hillside Drive
Horam
TN21 0HL

"Party Auntie always goes the extra mile in making her parties personalised for the child. I will certainly be hiring her again. Thank you!"

Suzi Mitchell of The Children's Charity Taylor Made Dreams

PARTY SAFETY

Safety at all times is an important part of our service. Our party hosts are background checked, first aid trained and regularly briefed on health and safety.

We appreciate that having a party outdoors does come with some risks attached and so prior to all parties we risk assess the area for hazards and aim to reduce these as much as possible.

We are health and safety trained and will request signed consent forms allowing us to treat your child if we feel necessary.

Should you wish to view any details about our insurance, policies, DBS checks or risk assessments we will happily provide them to you.

PRODUCTS

All party products starting from the bunting right through to cupcake toppers will be sourced from the UK only. This is to reduce emissions caused by the transport of products and also because we believe in supporting UK business.

FOOD

We believe that growing children require the best fuel and so our menu will incorporate organic foods as much as possible. We try to buy our produce locally in order to support local business and also to reduce our carbon footprint.

We will need completed allergy forms for all children attending. We are aware of special diets and will happily cater for them.

"Carla and Charlie are a fantastic duo whos love for the outdoors is what drives them to create wonderful outdoor experiences for others."

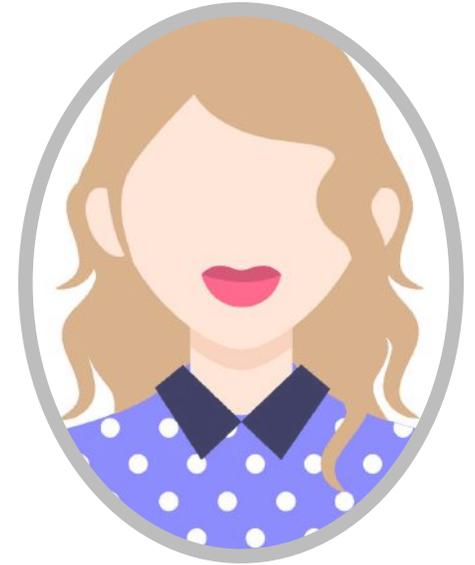

Phil Greenwood of the Sacred Earth Land Project

ADDITIONAL INFORMATION

Our woodland parties are suitable for up to 16 children. With 16 children you can always expect two party leaders to be present.

For children under the age of 7 we ask that they are accompanied by a parent or guardian.
